Does your child take a nap daily?

How long and at what time does he/she nap?

What types of food does your child like?

Are there any foods your child dislikes or will not eat?

What time will you usually drop your child off?

What time will you usually pick your child up?

Is there anything you would like us to know about your child?

Miscellaneous - It is helpful for each child to bring with them an extra set of clothes to be kept at the center to be used when necessary.

I give permission for my son/daughter to go on walks around the block or in the woods. I also am aware that the children occasionally are outside the fenced playground area for activities such as games, sprinklers, winter sliding down the hill, etc.
